MISSION STATEMENT

The MISSION of the CWRT CONGRESS is to inspire Civil War Round Table leaders to adapt, adopt, and maintain strategies for sustainability.

AWARD CRITERIA

The CWRT Congress Phoenix Award recognizes a local CWRT for recreating itself after a period of stagnancy or extinction. The process of recreating a formerly vibrant organization that lost its way is one that requires dedicated leaders, members who understand the value of public history and a vision of the future. The program achieves success through commitment, adaptability, and community.

The award recipient exhibits these key characteristics:

★ RENEWAL

Creates an atmosphere of diversity, values supporters, links with new partners and realizes the importance of a new mission.

★ RENOVATION

Reestablishes those organizational elements of the old organization that were successful while discarding or adapting those either prevented or hindered growth.

★ REFORMATION

Establish a new, robust organizational culture that demonstrates a vision of the future and the needs of members.

★ REDESIGN

The new organization structure with varied programs for youths, their families, and the larger community.
