

Tri Cities Civil War Round Table, Who We Are **May 05, 2019**

We meet in Kingsport, TN, 8 times a year, 7 of which are in Room 219 at the Eastman Employee Center. During the Summer Fun Fest Festival, a 10 day local series of entertainment experiences, we give back to the community with a Civil War entertaining program (civil war historian musician, 1 act/first person historically accurate play) that meets in the Renaissance Center Theater. We are 2 years short of being 30 years in existence. See the following for our upcoming programs, speakers and topics. During the Spring we have a 3-4 day Civil War Tour. During the Fall we have a 1 day Civil War tour of local battles.

Organizationally, we are comprised of 16 members who are on the TCCWRT Leadership Team. We issue a Newsletter in the months we have a program; and, we issue news releases for publications to 7 local newspapers and multiple social medias.
