

July 1863 was a momentous month in the Civil War. News of Gettysburg and Vicksburg electrified the North and devastated the South. Sandwiched geographically between those victories and lost in the heady tumult of events was news that William S. Rosecrans's Army of the Cumberland had driven Braxton Bragg's Army of Tennessee entirely out of Middle Tennessee.

The brilliant campaign nearly cleared the state of Rebels and changed the calculus of the Civil War in the Western Theater. Despite its decisive significance, few even today know of these events. This is a much needed and revealing presentation.
