

THE CIVIL WAR SIEGE OF SPANISH FORT & THE MOBILE CAMPAIGN, 1865

The bloody two-week siege of Spanish Fort, Alabama (March 26-April 8, 1865) was one of the final battles of the Civil War. Despite its importance and fascinating history, surprisingly little has been written about it. The fall of the fort was considered by many the key to the surrender of the important seaport of Mobile, which fell to Maj. Gen. Edward R. S. Canby on April 12, 1865. Paul Brueske's *Digging all Night and Fighting All Day: The Civil War Siege of Spanish Fort and the Mobile Campaign, 1865* is the first full-length study of this subject.
