

JOHN LORIMER WORDEN & NAVAL LEADERSHIP

John L. Worden was much more than the captain of the USS Monitor during the historic Battle of Hampton Roads where he suffered grievous injuries. He was the first prisoner of war after revealing secret dispatches that kept Fort Pickens from capture by Confederates. Skipper of the USS Montauk, innovating ship design at the Brooklyn Naval Shipyard, and becoming superintendent of the U. S. Naval Academy are just some of his accomplishments. Historian John V. Quarstein will reveal all and more. This is a presentation you will not want to miss.
