

FAITH OF THE FATHERS

Faith of the Fathers brings to light the forgotten stories of courageous chaplains whose commitments to faith and to men at war during America's most divisive conflict have long been overlooked. The Reverend Robert J. Miller provides a comprehensive and compelling portrait of the 126 priest-chaplains who served during the Civil War and reflects on the importance of religion and faith in nineteenth-century America. As a culture of death and horror raged around them, Catholic priest-chaplains met the needs of soldiers and officers alike, providing years of faithful and dedicated service in hospitals, prisons, battlefields, and camps.
